Public Record Notice

All submittals in response to this solicitation shall become the property of PMGAA, shall not be returned to Offeror and shall become a matter of public record available for review subsequent to the contract award.

Please note that PMGAA’s Procurement Policy requires:

If the Offeror deems any portion of its submittal as confidential, the Offeror must label each and every page of the confidential portions with: “Trade Secret”, “Confidential” and/or “Proprietary”. The Offeror must also list each of the materials it deems confidential at the beginning of its proposal, and provide a written, detailed justification for not making such material public, along with its submittal.

Additional information and requirements can be found in PMGAA’s complete “Public Access to Procurement Information” contained in PMGAA’s Procurement Policy that is available under the Policies, Documents and Forms link at: https://www.gatewayairport.com/policiesdocumentsandforms

PMGAA encourages all Offerors to review this policy in its entirety prior to submitting a proposal.
MANDATORY SITE TOUR

1. Attendance at the Site Tour is required for those Offerors wanting to submit a proposal under this solicitation.

2. **The Site Tour is limited to two (2) people per Offeror – no exceptions will be granted.**

Introduction

Purpose:

The purpose of this solicitation is to request proposals from qualified Offerors for a complete Parking Access Revenue Control System for the Phoenix Mesa Gateway Airport. This Parking Access Revenue Control System plays a pivotal role in helping make the airport’s parking operation efficient and fiscally-responsible, while providing an exceptional customer experience to all users.

Background:

The Phoenix-Mesa Gateway Airport is owned and operated by the Phoenix-Mesa Gateway Airport Authority. The PMGAA Board of Directors is represented by the Cities of Apache Junction, Mesa and Phoenix, Towns of Gilbert and Queen Creek, and the Gila River Indian Community. The Board of Directors provides policy direction for the Airport Authority. An Executive Director and professional staff conduct the day-to-day activities of the Airport Authority.

The Airport Authority oversees the operation and development of the Phoenix-Mesa Gateway Airport, a small hub commercial service airport located in the east valley of the Phoenix metropolitan area.
Solicitation 2022-003-RFP

Section One - Offeror Information and Instructions

A. GENERAL INFORMATION ON SOLICITATION PROCESS

1. **Availability of Solicitation.** The solicitation package is available via the Internet at [www.gatewayairport.com](http://www.gatewayairport.com) under the Business | Procurements, Vendors & Public Notices section.

2. **Addenda.** If PMGAA deems it necessary to amend the solicitation, an Addendum will be prepared in writing and posted on the PMGAA website. Offerors are responsible for obtaining all addenda via the PMGAA website at [www.gatewayairport.com](http://www.gatewayairport.com) under the Business | Procurements, Vendors & Public Notices section or by other means. Any Addenda issued by PMGAA will become a part of the RFP. Offeror shall acknowledge receipt of each addendum by completing Attachment H and returning the document, as part of the Offeror’s submittal under this RFP.

3. **Familiarization with Requirements.** It is the Offeror’s responsibility to examine the entire solicitation package and seek clarification of any requirement or contract term that may not be clear and to check all responses for accuracy before submitting a response. Negligence in preparing a submittal confers no right of withdrawal after due date and time. All submissions must comply with applicable PMGAA rules, regulations and policies.

4. **Cost of Submittal Preparation.** PMGAA shall not reimburse the cost of developing, presenting or providing any response to this solicitation. Bids, proposals and/or statements of qualifications submitted for consideration should be prepared simply and economically, providing adequate information in a straightforward and concise manner.

5. **Inquiries.**
   a. **Contact Person.** Any inquiry related to a solicitation, including any requests for or inquiries regarding standards referenced in the solicitation should be directed to the staff member listed on the cover page of the solicitation. The Offeror shall not contact or direct inquiries concerning this solicitation to any other PMGAA employee unless the solicitation specifically identifies additional person(s) as a contact.
   
   b. **Submission of Inquiries.** All inquiries shall be submitted in writing and/or electronic mail and shall refer to the appropriate solicitation number, page and paragraph. PMGAA shall consider the relevancy of the inquiry but is not required to respond in writing. All questions must be submitted by the date and time specified in this RFP for PMGAA to consider its relevancy.

   c. **Oral Responses.** Oral interpretations or clarifications will be without legal effect. An Offeror shall not rely on oral responses to inquiries. An oral reply to an inquiry does not constitute a modification of the solicitation.

6. **Offer and Acceptance Period.** Unless specified differently in Section Two, all proposals submitted shall remain valid and irrevocable for one hundred twenty (120) days after the opening time and date of proposals.

7. **Solicitation Results.** Results are not provided in response to telephone inquiries. A tabulation of responses received will remain on file at PMGAA and available for review after a contract is awarded.

8. **Debarment/Suspended.** By submitting a proposal, Offeror certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this solicitation by any Federal department or agency.
9. **Protest of Solicitation or Specifications (Before Bid Opening).**
   a. Any interested person aggrieved in connection with the solicitation of a contract shall protest irregularities in the IFB, RFP, or RFQ within three business days from the date the protester knew or should have known of the basis for the protest and, in any case, at least five business days before opening bids or proposals.
   b. All protests must be made in writing to the Purchasing Director / Chief Financial Officer. Each protest must state the specific factual and legal grounds on which the protest is based. The protester must also include with the protest all pertinent documents and all supporting evidence. PMGAA need not accept any protest that fails to comply with the requirements of this section. The protester's failure to timely protest specifications or other solicitation terms and conditions constitutes a waiver of the protest.
   c. If a timely protest before bid opening is made, PMGAA may proceed with the solicitation or with the award of the contract unless the Purchasing Director / Chief Financial Officer determines in writing that the protest should be sustained or that an addendum addressing the protest should be issued.

10. **Protest of Award Recommendation.**
   a. A protest made after the deadline for bids or proposals, including challenges to the evaluation committee, must be submitted in writing to the Purchasing Director / Chief Financial Officer.
   b. A protest must be received by the Purchasing Director / Chief Financial Officer within five business days following public posting of PMGAA’s award recommendation. The formal protest must contain the following information.
      i. PMGAA’s solicitation identification number and title.
      ii. Name and address of the protester, the title or position of the person submitting the protest, and a statement that the protest has been authorized by the protester and the protest is made in good faith.
      iii. A statement of all facts alleged and all rules, regulations, statutes, or constitutional provisions that entitles the protester to relief.
      iv. All other information, documents, materials, legal authority, and evidence in support of the protest.
      v. A statement indicating the precise relief sought by the protester.
   c. The Purchasing Director / Chief Financial Officer will make a written decision on the protest within ten business days after it is received.
   d. The Protester may appeal the Purchasing Director / Chief Financial Officer’s decision to the Executive Director. Any appeal must be filed with the Executive Director within three business days after the protester receives the Purchasing Director / Chief Financial Officer’s decision.
   e. The Executive Director may hear the appeal or appoint an independent hearing officer to do so. If a hearing officer is appointed, the hearing officer shall conduct an informal hearing on the appeal within 10 business days from receipt of the appeal. The hearing officer shall promptly prepare an informal decision and recommendation on the appeal for the Executive Director’s consideration. The hearing officer shall promptly serve the recommendation on the protester.
   f. Upon receipt of the hearing officer’s recommendation, or if no hearing officer is appointed, the Executive Director shall decide any protest for a solicitation valued at less than $50,000. For solicitations valued less than $50,000 or sustained protests, the Executive Director’s
decision is final. For solicitations valued over $50,000 and the Executive Director is recommending denial of the protest, the Executive Director shall make a recommendation to the Board, and the Board shall make the final decision regarding award of the contract.

g. Notice of the Board’s final decision must be furnished to the protesting party, in writing, by the Purchasing Director / Chief Financial Officer.

11. Special Provisions. Wherever special provisions are written into the Special Provisions and Specifications (Section Two), which are in conflict with conditions stated in these Instructions to Offerors, the provisions stated in the Special Provisions and Specifications, shall take precedence.

12. Conduct. All submissions and Offeror conduct must comply with applicable PMGAA policies, rules and procedures. Direct contact with PMGAA Board of Directors and/or PMGAA representatives or staff other than as specified in this solicitation, on any subject related to this solicitation is expressly prohibited except with the prior knowledge and written permission of the procurement coordinator listed above. Unauthorized contact of any PMGAA Board of Directors, and/or PMGAA staff or representatives may be cause for rejection of proposals.

13. Title VI Solicitation Notice. PMGAA, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all Offerors or Bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit proposals in response to this solicitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

B. PROPOSAL PREPARATION AND SUBMITTAL

1. Proposal Preparation.
   a. Forms. All proposals shall include the required forms provided in this solicitation. It is permissible to copy these forms if required.

   b. No Facsimile or Electronic Mail Responses. Proposals may not be submitted via facsimile or electronically. Facsimiles or electronic mail proposals shall not be considered.

   c. Confidential, Trade Secret and Proprietary Information. Requests for nondisclosure of information deemed Confidential, Trade Secret, and/or Proprietary must be made in accordance with PMGAA’s Procurement Policy. Please review PMGAA’s complete “Public Access to Procurement Information” contained in PMGAA’s Procurement Policy that is available under the Policies, Documents and Forms link at: http://www.gatewayairport.com/policiesdocumentsandforms.

2. Proposal Submittal.
   a. Submission Package. One (1) original and the specified number of copies of the submittal (see Section Two) should be contained in each submission package. Each submittal package/envelope should be firmly sealed and clearly marked on the outside with the solicitation number, “Request for Proposal” and the name and address of the Offeror.

   b. Late Submittals. Late submittals will be rejected and returned to the Offeror.

   c. No Modifications. Modifications are not permitted after proposals have been opened except as otherwise provided under applicable law, such as a specific request by PMGAA for a
requested Best and Final Offer (BAFO). All modifications shall be made in writing and executed and submitted in the same form and manner as the original proposal.

d. **Withdrawal of Proposal.** RFP submittals may be withdrawn at any time prior to the specified due date and time. An Offeror (or authorized representative) may withdraw the response by notifying the designated contact for this solicitation in writing on company letterhead. Facsimiles or other electronic withdrawals shall not be considered.

### 3. RFP Evaluation.

a. **Conformance to RFP.** Each proposal received will be checked for the presence or absence of required information in conformance with the submission requirements of this RFP and to ensure that the submittal is fully responsive to the specifications listed.

b. **Disqualification.** An Offeror who is currently debarred, suspended or otherwise lawfully prohibited from any public procurement activity will have its response rejected.

c. **Clarifications.** PMGAA reserves the right to obtain Offeror clarifications where necessary to arrive at full and complete understanding of Offeror’s response. Clarification means a communication with an Offeror for the sole purpose of eliminating ambiguities in the proposal and does not give Offeror an opportunity to revise or modify its submittal.

d. **Response Rejection.** Except as provided in Attachment F with respect to specific requests related to the Sample Standard Form Professional Services Agreement, submission of additional terms, conditions and/or agreements with the proposal response may result in rejection. Inclusion of general or vague statements or invitations to discuss further with the proposal response Attachment F may result in rejection.

### 4. Award of Contract.

a. **Rights of PMGAA.** PMGAA reserves the right to award to whichever Offeror(s) deemed most advantageous to PMGAA. PMGAA may reject any or all submittals, waive any minor informality or irregularity in submittals received, reject any alternate submittals and reserves the right to reject the submittal(s) of any Offeror who has previously failed to perform competently in any contract with PMGAA.

b. **Selection.** The contract shall be awarded using the criteria outlined in Section Two.

c. **Notification and Professional Services Agreement.** Prior to contract award, the selected successful Offeror(s) will be notified of their apparent selection for contract award. All Standard Terms and Conditions, as stated in Section Three of this RFP, will be included in the Standard Professional Services Agreement. If the Standard Professional Services Agreement is not executed within 30 days from Notice of Intent to Award, PMGAA reserves the right to cancel and award to the next highest ranked Offeror.
Section Two – Special Provisions and Specifications

A. PROJECT DESCRIPTION
The Parking Access Revenue Control System plays a pivotal role in helping make the Airport’s parking operation efficient and fiscally-responsible, while providing an exceptional customer experience to all users.

B. MINIMUM EXPERIENCE REQUIREMENTS
Offeror shall have extensive experience in providing scalable, turn-key Parking Access Revenue Control Systems (PARCS) that facilitate revenue and contract parking operations at airports. Specifically, the Offeror shall have active installations at Federal Aviation Administration (FAA) Designated Commercial Service Airports (Non, small, medium, or large hub). The Offeror’s proposed solution shall be natively designed, built, and configured to function solely as a PARCS and be able to meet the technical specifications outlined in this RFP.

D. SCOPE OF WORK

1. General

1.1. References

A. Codes and Regulations

1. Offeror shall comply with all State and Local codes as applicable; including but not limited to: City of Mesa Building Codes and Maricopa Association of Governments Specifications

B. Information Security Standards

1. System, software, and any applicable components shall comply with the latest Payment Card Industry Data Security Standards (PCI DSS) and Payment Application Data Security Standards (PA DSS), to include Point-to-Point Encryption (P2PE).

2. Offeror shall maintain the system to ensure continuous compliance with all aforementioned standards.
1.2. Acronym Definitions
A. AVI – Automatic Vehicle Identification
B. FAT – Factory Acceptance Test
C. LAT – Lane Acceptance Test
D. LPR – License Plate Recognition
E. MAG – Maricopa Association of Governments
F. NFC – Near Field Communication
G. P2PE - Point-to-Point Encryption
H. PA DSS - Payment Application Data Security Standards
I. PARCS – Parking Access Revenue Control System
J. PCI DSS - Payment Card Industry Data Security Standards
K. PMGAA – Phoenix-Mesa Gateway Airport Authority
L. POF – Pay-on-Foot
M. SAT – Site Acceptance Test
N. UPS – Uninterruptable Power Supply

1.3. System Description
A. PMGAA operates three revenue producing parking facilities with approximately 3,840 parking spaces.
B. PMGAA intends to replace all existing PARCs and associated electronic signs in currently installed locations with the exception of any re-useable magnetic loops.
C. The new PARCS will utilize existing power and data connections from current PARCS placements.
D. Tagmaster AVI readers are to be replaced. These readers do not interface with any external AVI systems.
E. Offeror shall test any existing loops for possible re-use. PMGAA will provide concrete, paving and any new loops as required.
F. As part of this project, PMGAA will be adding a single entry and exit lane with PARCS to the Employee Lot containing 146 parking spaces.
G. Under this RFP, PMGAA requests replacement of dynamic lane control and space availability electronic signs with new signs performing the same functions. Offeror is encouraged to submit optional sign pricing for signs providing enhanced features (costs submitted under Tab M).
H. PMGAA requests optional pricing for License Plate Recognition (LPR) cameras and software for placement at each parking lane for the Ray Road Economy and Daily Parking Lots, excluding bus lanes and electronic signs. See Section 7 below.

1.4. General Requirements
A. The proposed solution shall utilize a POF operating process methodology. In addition, the system must be capable of processing payments via a mobile device as a back-up in the event a field device is inoperable.
B. Offeror’s proposed solution shall be scalable to accommodate increased parking activity, in addition to future parking facilities.
C. Equipment and peripherals shall be durable and resistant to vandalism, environmental, or other conditions that may adversely affect the system’s reliability, uptime, or functionality.
D. System shall be capable of integrating with third-party hardware or software solutions.
   1. Section 2.11 delineates PMGAA’s desired features or integrations for hardware/software. This list is subject to change at PMGAA’s discretion.
a) Offeror shall delineate in their proposal if any of these desired features/integrations are natively included within their solution and whether they are standard or optional. If optional, Offeror shall delineate all associated costs for the feature/integration (costs submitted under Tab M).

E. Tamper resistance – All devices shall be equipped with a tamper-resistant locking system. Provide PMGAA with two sets of keys for each piece of equipment with locks and two sets of master keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and not be replicable except by PMGAA. Each equipment type shall be master keyed including but not limited to:
   a) Cabinets for gates
   b) Card readers
   c) Ticket dispensers
   d) Automated Pay-in-lane Payment Stations
   e) Automated Pay-on-foot Payment Stations

1.5. Project/Site Conditions
A. Environmental Conditions – Equipment shall be designed, fabricated, equipped, and installed to operate effectively under the climate and exposure conditions for the recorded weather extremes for the equipment location. All necessary equipment to protect from all exterior conditions, including but not limited to heaters, fans, equipment covers, enclosures, etc. must be included with the proposal. Equipment shall be rated for the following:
   a) Humidity: 0% - 100%
   b) Temperature: 0 – 150 degrees ambient temperature
   c) Rain: Blowing rain, with heavy downpours,
   d) Dust: Blowing dust, sand, and fine particles
   e) Wind: Strong winds during monsoon season

1.6. Project Phasing
A. Offeror shall phase the implementation of the project to ensure continuous operation of all parking facilities during flight activity per requirements listed in this RFP.

2. PARCS Requirements
2.1. Power
A. Offeror shall utilize existing 120-volt power at each location.
B. A lane specific UPS shall be installed within each entry/exit lane to provide thirty minutes of backup power to either restore failed electrical service or allow for properly shutting down the lane equipment.

2.2. Communications/Network
A. The existing PMGAA single-mode fiber optic/copper network shall be utilized to support the new system.
   1. The new Employee Lot will not have fiber optic connectivity to/from a PMGAA communications room. PMGAA will work with the selected Offeror to determine the appropriate means of data connectivity, such as a cellular modem. Copper connectivity will exist from the data access point to/from all entry and exit devices within the lot.

B. Offeror shall provide, configure, and maintain all network equipment, software, and peripherals including but not limited to routers, switches, firewalls, licenses, etc. PMGAA shall provide rack space in communications rooms for rack-mounted equipment, if required.
1. Field network switches shall be ruggedized to conform to environmental conditions.

C. Offeror shall provide, configure, and maintain all server equipment, software, databases, peripherals, licenses, etc. PMGAA shall provide rack space in its communications rooms for all rack-mounted equipment, if required.

D. All PARCS software shall be browser-based and web-enabled to allow for access to the system from a computer or mobile device, such as a phone or tablet, via an internet browser.

E. PMGAA shall provide an internet connection with no more than 100 Mbps of bandwidth.

F. All equipment, hardware, and software, including the Facility Management System, that accept credit cards shall comply with the most current Payment Card Industry Data Security Standards (PCI-DSS). PMGAA utilizes Wells Fargo Merchants Services for credit card payment processing. **All proposed payment gateway options must be compatible with Wells Fargo Merchant Services/First Data's payment processing solution.** Offerors are asked to provide additional providers and associated costs for other processing options, identifying the preferred processor for their system (costs submitted under Tab M).

G. The credit card terminal shall accept chip card, contactless cards, and be capable of scanning credit cards placed in any direction. PMGAA prefers a credit card reader that does not ingest the credit cards. Offerors are asked to provide all compatible credit card processing payment gateway partners with costs, identifying their recommended option (costs submitted under Tab M).

H. Offeror shall indicate and provide costs and details about whether their solution offers a cellular network redundancy.
   1. If network redundancy is provided by Offeror, redundancy shall be compatible with Verizon Wireless. PMGAA shall, at its discretion, provide Verizon Wireless SIM cards for data connectivity.
   2. Offeror shall provide alternate network redundancy options and costs, as necessary (costs submitted under Tab M).

I. PMGAA shall provide a single outbound analog phone line for the Offeror’s intercoms solution, if necessary.

2.3. Entry Lanes

A. Entry Device
   1. Each device shall consist of the following components/features:
      a) Ticket Dispenser – Tickets shall be printed, via a thermal printer printing on thermal or ticket stock, with an encoded barcode specific to the parking facility. The dispenser shall be equipped with a bi-directional transport capable of retracting tickets and a vault for storing retracted tickets. The primary control of the dispensation of a ticket shall be a push button. Dispenser shall be equipped with an illuminated ticket dispensing slot.
      b) Barcode Scanner – Device shall be able to scan standard barcodes or QR codes that may be generated on paper or mobile device without ingesting tickets.
      c) Proximity Card Reader – Device shall be capable of reading HID 26 Bit H10301 proximity cards. The reader shall be included with the entry/exit devices and shall not be mounted separately on a pedestal.
      d) Intercom – The intercom functionality shall meet the requirements of Section 2.9. The device intercom shall be push button activated.
      e) LCD color display – Display shall be an active color matrix screen that is easily readable in all ambient lighting conditions. Offeror shall provide an example of the display in their proposal.
f) Tamper resistance – Device shall be equipped with a tamper-resistant locking system. Provide PMGAA with two sets of keys for each piece of equipment with locks and two sets of master keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and not be replicable except by PMGAA.
g) Standalone capabilities – Device shall be capable of operating in a standalone mode if network connectivity is lost. Device shall store at least two (2) days’ worth of transaction data (approximately 4,000 transactions) and be capable of closing the lane automatically if the lane has reached its transaction storage threshold. Data generated on-site during the communication failure shall be retained on-site and automatically uploaded when normal communications are restored.
h) Visual Instructions – The device shall include a customizable graphic overlay that communicates clear and concise instructions on the use of the device.
i) Loop Detectors – Each device shall be equipped with loop detectors capable of detecting vehicle presence, legal entry, illegal exit, and back-out.; to include two vehicle tailgating. Loop detectors must be capable of utilizing existing two or three loop configurations, provided by PMGAA.

2. Optional Features
   a) Voice Instructions/Enunciators – Audio shall compliment the visual instructions. Offeror shall indicate in their proposal whether this feature is standard or optional. If optional, Offeror shall delineate a complete cost to implement (costs submitted under Tab M).

B. Automated Vehicle Identification (AVI)
   1. Offeror shall replace all existing AVI Tagmaster Readers to integrate with new PARCS. If these readers are incompatible with proposed PARCS system, Offeror shall equip each Bus Entry or Exit lane with compatible AVI readers.
   2. The readers shall fully integrate into the PARCS and shall only scan when activated by a vehicle’s presence on the associated magnetic loops.
   3. The readers shall be capable of reading vehicles within sixteen (16) feet traveling up to ten (10) miles per hour.

C. Dynamic Signage
   1. Offeror shall include replacement of existing electronic signs at current locations, using existing connections as detailed in the sign inventory (Section Two C, Background Information) and below. The replacement signs shall at minimum provide the same functions as existing signs. If replacement signs can provide enhanced functionality, Offeror shall separately detail those functions and associated costs (costs submitted under Tab M). Signs shall include all frames and mounting hardware. Any requirements for enhancements or improvements to connections or other site infrastructure shall also be separately detailed (costs submitted under Tab M).
      a) Lane Open/Closed Signs – Reversible signs clearly identifying lanes as open or closed using text or Red/Green lights. Signs shall be programmable and remotely controlled, as well as having manual control switches in the lanes. Signs shall be LED.
      b) Space Availability Signs – Signs connected to the PARCS that dynamically display the available spaces for a defined parking area. Signs shall be LED.
2.4. Exit Lanes
   A. Exit Device
      1. Each device shall consist of the following components/features:
         a) Ticket Reader/Validator – device shall accept barcode parking tickets via an illuminated exterior barcode scanner. The device shall be programmable to print customer receipts only upon request.
         b) Credit Card Processing – The device shall have EMV compliant credit card payment solutions, to include:
            i. EMV Chip Card Reader: Visa, Mastercard, American Express, and Discover
            ii. NFC reader: Must be capable of processing Apple Pay, Google Pay, or similar. In addition, reader must be capable of processing contactless credit card payments with a physical card.
            iii. PMGAA prefers a credit card reader that does not ingest the credit cards. Offerors are asked to provide credit card reader options with costs, identifying their recommended option.
         c) Barcode Scanner – Device shall be able to scan standard barcodes or QR codes that may be generated on paper or mobile device without ingesting tickets.
         d) Proximity Card Reader – Device shall be capable of reading HID 26 Bit H10301 proximity cards. The reader shall be included with the entry/exit devices and shall not be mounted separately on a pedestal.
         e) Intercom – the intercom functionality shall meet the requirements of Section 2.9. The device intercom shall be push button activated.
         f) LCD color display – display shall be an active color matrix screen that is easily readable in all ambient lighting conditions. Offeror shall provide an example of the display in their proposal.
         g) Tamper resistance – Device shall be equipped with a tamper-resistant locking system. Provide PMGAA with two sets of keys for each piece of equipment with locks and two sets of master keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and not be replicable except by PMGAA.
         h) Standalone capabilities – Device shall be capable of operating in a standalone mode if network connectivity is lost. Device shall store at least two (2) days’ worth of transaction data (approximately 4,000 transactions) and be capable of closing the lane automatically if the lane has reached its transaction storage threshold. Data generated on-site during the communication failure shall be retained on-site and automatically uploaded when normal communications are restored.
         i) Visual Instructions – The device shall include a customizable graphic overlay that communicates clear and concise instructions on the use of the device.
         j) Loop Detectors – each device shall be equipped with loop detectors capable of detecting vehicle presence, legal entry, illegal exit, and back-out, to include two vehicle tailgating. Loop detectors must be capable of utilizing existing two or three loop configurations, provided by PMGAA.
      2. Optional Features
         a) Voice Instructions/Enunciators – Audio shall compliment the visual instructions. Offeror shall indicate in their proposal whether this feature is standard or optional. If optional, Offeror shall delineate a complete cost to implement (costs submitted under Tab M).
   B. Automated Vehicle Identification (AVI)
      1. Offeror shall replace all existing AVI Tagmaster Readers to integrate with new PARCS. If these readers are incompatible with proposed PARCS system, Offeror shall equip each Bus Entry or Exit lane with compatible AVI readers.
      2. The readers shall fully integrate into the PARCS and shall only scan when activated by a vehicle’s presence on the associated magnetic loops.
3. The readers shall be capable of reading vehicles within sixteen (16) feet traveling up to ten (10) miles per hour.

C. Dynamic Signage

1. Offeror shall include replacement of existing electronic signs at current locations, using existing connections as detailed in the sign inventory (Section 2(C), Background Information) and below. The replacement signs shall at minimum provide the same functions as existing signs. If replacement signs can provide enhanced functionality, Offeror shall separately detail those functions and associated costs. Signs shall include all frames and mounting hardware. Any requirements for enhancements or improvements to connections or other site infrastructure shall also be separately detailed (costs submitted under Tab M).

   a) Lane Open/Closed Signs – Reversible signs clearly identifying lanes as open or closed using text or Red/Green lights. Signs shall be programmable and remotely controlled, as well as having manual control switches in the lanes. Signs shall be LED.

2.5. Nested Lanes

A. Nest Transfer Device

1. Each device shall consist of the following components/features:

   a) Ticket Reader/Validator – device shall accept barcode parking tickets via an illuminated exterior barcode scanner.
   b) Barcode Scanner – Device shall be able to scan standard barcodes or QR codes that may be generated on paper or mobile device without ingesting tickets.
   c) Proximity Card Reader – Device shall be capable of reading HID 26 Bit H10301 proximity cards. The reader shall be included with the entry/exit devices and shall not be mounted separately on a pedestal.
   d) Intercom – The intercom functionality shall meet the requirements of Section 2.9. The device intercom shall be push button activated.
   e) LCD color display – Display shall be an active color matrix screen that is easily readable in all ambient lighting conditions. Offeror shall provide an example of the display in their proposal.
   f) Tamper resistance – Device shall be equipped with a tamper-resistant locking system. Provide PMGAA with two sets of keys for each piece of equipment with locks and two sets of master keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and not be replicable except by PMGAA.
   g) Standalone capabilities – Device shall be capable of operating in a standalone mode if network connectivity is lost. Device shall store at least two (2) days’ worth of transaction data (approximately 4,000 transactions) and be capable of closing the lane automatically if the lane has reached its transaction storage threshold. Data generated on-site during the communication failure shall be retained on-site and automatically uploaded when normal communications are restored.
   h) Visual Instructions – The device shall include a customizable graphic overlay that communicates clear and concise instructions on the use of the device.
   i) Loop Detectors – Each device shall be equipped with loop detectors capable of detecting vehicle presence, legal entry, illegal exit, and back-out, to include two vehicle tailgating. Loop detectors must be capable of utilizing existing two or three loop configurations, provided by PMGAA.

2. Optional Features

   a) Voice Instructions/Enunciators – Audio shall compliment the visual instructions. Offeror shall indicate in their proposal whether this feature is standard or optional. If optional, Offeror shall delineate a complete cost to implement (costs submitted under Tab M).
B. Nest Exit Device
   1. Offeror shall propose the appropriate nest exit device for their specific solution. Specifications for the
device shall include, but are not limited to, the items listed in Section 2.5.A.1.

C. Dynamic Signage
   1. Offeror shall include replacement of existing electronic signs at current locations, using existing
connections as detailed in the sign inventory Section Two C, Background Information and below. The
replacement signs shall at minimum provide the same functions as existing signs. If replacement
signs can provide enhanced functionality, Offeror shall separately detail those functions and
associated costs (costs submitted under Tab M). Signs shall include all frames and mounting
hardware. Any requirements for enhancements or improvements to connections or other site
infrastructure shall also be separately detailed(costs submitted under Tab M).
   a) Space Availability Signs – Signs connected to the PARCS that dynamically display the available
spaces for a defined parking area. Signs shall be LED.

2.6. Barrier Arms
   A. Barriers arms shall be installed in all entry/exit lanes and meet the below standards:
      1. Utilize a drive mechanism that is intended for continual, high-use, 24/7 operation.
      2. Single piece, aluminum barrier arm with padding; ten (10) feet in length with reflective markings.
      3. Electronically monitored breakaway feature to minimize gate replacements.
      4. Non-resettable, loop counter.

2.7. Employee Lot Lanes
   A. Entry Lane
      1. Each device shall consist of the following components/features:
         a) Proximity Card Reader – device shall be capable of reading HID 26 Bit H10301 proximity cards.
            The reader shall be mounted to the face of the entry device.
         b) Intercom – the intercom functionality shall meet the requirements of Section 2.9. The device
            intercom shall be push button activated
         c) Tamper resistance – Device shall be equipped with a tamper-resistant locking system. Provide
            PMGAA with two sets of keys for each piece of equipment with locks and two sets of master
            keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and
            not be replicable except by PMGAA.
         d) Standalone capabilities – Device shall be capable of operating in a standalone mode if network
            connectivity is lost. Device shall store at least two (2) days’ worth of transaction data
            (approximately 4,000 transactions) and be capable of closing the lane automatically if the lane has
            reached its transaction storage threshold. Data generated on-site during the communication
            failure shall be retained on-site and automatically uploaded when normal communications are
            restored.
         e) Loop Detectors – each device shall be equipped with loop detectors capable of detecting vehicle
            presence, legal entry, illegal exit, and back-out, to include two vehicle tailgating. Loop detectors
            must be capable of utilizing existing two or three loop configurations, provided by PMGAA.
      2. Optional Features
         a) LCD color display – display shall be an active color matrix screen that is easily readable in all
            ambient lighting conditions. Offeror shall provide an example of the display in their proposal.
         b) Visual Instructions – The device shall include a customizable graphic overlay that communicates
            clear and concise instructions on the use of the device.
B. Exit Lane

1. Each device shall consist of the following components/features:
   a) Proximity Card Reader – device shall be capable of reading HID 26 Bit H10301 proximity cards. The reader shall be mounted to the face of the entry device.
   b) Intercom – the intercom functionality shall meet the requirements of Section 2.9. The device intercom shall be push button activated
   c) Tamper resistance – Device shall be equipped with a tamper-resistant locking system. Provide PMGAA with two sets of keys for each piece of equipment with locks and two sets of master keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and not be replicable except by PMGAA.
   d) Standalone capabilities – Device shall be capable of operating in a standalone mode if network connectivity is lost. Device shall store at least two (2) days’ worth of transaction data (approximately 4,000 transactions) and be capable of closing the lane automatically if the lane has reached its transaction storage threshold. Data generated on-site during the communication failure shall be retained on-site and automatically uploaded when normal communications are restored.
   e) Visual Instructions – the device shall utilize visual instructions on its faceplate to help customers understand the sequence of events to complete their transaction.
   f) Loop Detectors – each device shall be equipped with loop detectors capable of detecting vehicle presence, legal entry, illegal exit, and back-out.; to include two vehicle tailgating. Loop detectors must be capable of utilizing existing two or three loop configurations, provided by PMGAA.

2. Optional Features
   a) LCD color display – display shall be an active color matrix screen that is easily readable in all ambient lighting conditions. Offeror shall provide an example of the display in their proposal.
   b) Visual Instructions – The device shall include a customizable graphic overlay that communicates clear and concise instructions on the use of the device.

2.8. Pay Stations

A. Pay Station Device

1. Each pay station shall consist of the following components/features:
   a) Ticket Reader/Validator – device shall accept barcode parking tickets via an illuminated exterior barcode scanner. The device shall be programmable to print customer receipts only upon request.
   b) Credit Card Processing – The device shall have EMV compliant credit card payment solutions, to include:
      i. EMV Chip Card Reader: Visa, Mastercard, American Express, and Discover
      ii. NFC reader: Must be capable of processing Apple Pay, Google Pay, or similar. In addition, reader must be capable of processing contactless credit card payments with a physical card.
      iii. PMGAA prefers a credit card reader that does not ingest the credit cards. Offerors are asked to provide credit card reader options with costs, identifying their recommended option.
   c) Cash Processing – device shall only accept bills and no coins. The below subsystems shall be utilized
      i. Bill Acceptor: device shall read bills in all directions.
      ii. Bill Dispenser: dispenser shall be capable of dispensing three denominations of bills.
      iii. Cash Vault: vaults shall be locking and trigger an alarm, whether audibly or through the PARCS, when unauthorized access/removal occurs from a pay station.
d) Barcode Scanner – Device shall be able to scan standard barcodes or QR codes that may be generated on paper or mobile device without ingesting tickets.

e) Intercom – the intercom functionality shall meet the requirements of Section 2.9. The device intercom shall be push button activated.

f) LCD color display – display shall be an active color matrix screen that is easily readable in all ambient lighting conditions. Offeror shall provide an example of the display in their proposal.

g) Tamper resistance – Device shall be equipped with a tamper-resistant locking system. Provide PMGAA with two sets of keys for each piece of equipment with locks and two sets of master keys. Keys shall be unique to this location/PMGAA; they shall not fit any other equipment and not be replicable except by PMGAA.

i) Standalone capabilities – Device shall be capable of operating in a standalone mode if network connectivity is lost. Device shall store at least two (2) days’ worth of transaction data (approximately 4,000 transactions) and be capable of closing the lane automatically if the lane has reached its transaction storage threshold. Data generated on-site during the communication failure shall be retained on-site and automatically uploaded when normal communications are restored.

j) Visual Instructions – The device shall include a customizable graphic overlay that communicates clear and concise instructions on the use of the device.

2. Optional Features

a) Voice Instructions/Enunciators – Audio shall compliment the visual instructions. Offeror shall indicate in their proposal whether this feature is standard or optional. If optional, Offeror shall delineate a complete cost to implement (costs submitted under Tab M).

2.9. Intercom

A. The intercom system shall consist of the following components/features:

1. Offeror shall provide a turnkey, network-based intercom system capable of using an analog phone line to dial to an external phone, such as a cell phone.

2. Each entry, exit, and pay station shall have an intercom that consists of an integrated microphone and speaker that is activated by a push button on the face plate of the device.

3. Intercoms shall be capable of enabling remote vending of gates from a telephone.

4. Intercoms will not be used in bus lanes.

2.10. Central Management System (CMS)

A. General

1. Offeror shall provide, configure, and maintain all software, operating systems, and peripherals related to the CMS.

2. The CMS shall provide an intuitive, user friendly, graphical interface that is standard across various devices such as workstations, tablets, etc.

3. The CMS shall utilize a standard access hierarchy for user accounts, to include an administrator level. The system shall log all change events.

B. The CMS shall consist of, but not limited to, the following components/features.

1. Device Monitoring/Control – The system shall detect abnormalities, faults, or other errors from field or server devices. Alarms, sent via the user interface and email, shall be generated to alert staff. The CMS shall enable remote control, manipulation, etc. of field devices to facilitate entry/exits, troubleshooting, etc. CMS will allow for remote access and management, via web or mobile device.

2. Space Inventory Management – The CMS shall enable users to track and adjust total inventory, present vehicles, and other factors that affect capacity of PMGAA’s revenue parking facilities.
3. Reporting – Offeror shall provide all standard reports, to include revenue and activity reports, such as monthly revenue, hourly peak occupancy, etc. at the times specified by PMGAA. Offeror shall provide, at no cost to PMGAA, all new reports developed by the Offeror and released as part of software updates.
   a) Report output methods shall include PDF, excel, and printer.
   b) Offeror shall indicate in their proposal whether the creation of custom reports is complimentary or available for an additional fee. If available for a fee, Offeror shall delineate a complete cost, including future fees for maintenance during software updates, to complete custom reports (costs submitted under Tab M).
   c) Offeror shall provide samples of standard reports available to PMGAA in its proposal
4. Cashiering/Validation Module – with the POF methodology, PMGAA does not have standard cashiers. Offeror shall provide a cashiering/validation module within the CMS that is capable of processing validations, exception transactions, access barcodes, discount barcodes, etc.
5. Contract/Employee Parking Credential Administration – The CMS shall be capable of administering all Contract/Employee Parking Access Credentials. The system shall allow for the use of, but not limited to, the following features:
   a) Issuance, deactivation, and modification of access for individual credentials, to include pass back and anti-pass back.
   b) Addition, deletion, or modification of company profiles for those organizations utilizing PMGAA’s Contract/Employee Parking Credentials
   c) Tracking of all transactions, such as entries and exits, with a credential within each individual credential profile.
   d) Invoicing for Contract/Employee parking.

2.11. Ancillary PARCS Features
   A. As delineated in Section 1.4. Offeror’s proposed solution shall be capable of integrating with third-party hardware/software solutions. PMGAA recognizes some desired features or integrations may be natively included within Offeror’s proposed system. Offeror shall detail any additional costs for features not native to their proposed system (costs submitted under Tab M).
   B. Below is a list of the desired features or integrations PMGAA is seeking to leverage, at its discretion:
      1. Mobile CMS Control
         a) System Status
         b) Device Control
         c) Space Counts/Adjustment
      2. Mobile Validations
      3. Customer Loyalty
      4. Reservations
      5. Mobile Payments
      6. XML Data Feeds for Space Counts – Airport Website

3. Quality Assurance/Quality Control (QA/QC)
   3.1. Offeror’s Plan
      A. Offeror shall develop and provide to PMGAA a comprehensive QA/QC plan to ensure the quality of all activities, including design, purchasing, manufacturing, installation, testing, etc.
         1. The plan shall cover Offeror and any suppliers, sub-contractors, etc.
      B. PMGAA, at its discretion, will conduct random inspections throughout the project to ensure the Offeror’s QA/QC plan is being carried out in accordance with its documented plan.
3.2. Acceptance Testing

A. Acceptance testing shall serve to verify the functional performance of the PARCS and its components to ensure adherence to specifications outlined in the RFP and the Professional Service Agreement. The acceptance testing process shall not take away from or reduce the responsibility of the Offeror to provide a finished and fully functioning system that meets all requirements of these specifications. All components delivered by the Offeror, whether hardware or software, shall undergo acceptance testing as part of the installation process.

1. Factory Acceptance Test (FAT)
   a) Offeror, no later than 45 days prior to the commencement of the FAT, shall provide its documented FAT protocols for each device type.
   b) The FAT shall demonstrate satisfactory operation and performance of all system components (a representative sample of overall quantity). At least one simulated entry lane, exit lane, and pay station shall be tested as part of this test. In addition, the CMS shall be configured and integrated to these devices to demonstrate all functionality and performance as required by these specifications, including device control, report generation, etc.
   c) The FAT shall be conducted by Offeror with results provided to PMGAA for review.
   d) Offeror shall correct any deficiencies identified in the FAT within fourteen (14) days of discovery. All deficiencies shall be corrected in a manner that ensures satisfactory results are achieved.

2. Lane Acceptance Tests (LAT)
   a) Upon successful completion of a lane or pay station installation, Offeror shall conduct its own testing to ensure proper functionality of the equipment per manufacturer specification.
   b) Offeror, no later than 45 days prior to the commencement of the initial LAT, shall provide its documented LAT protocols for each device type to PMGAA.
   c) PMGAA shall conduct LATs, utilizing LAT protocols provided by Offeror for each lane or pay station. Upon successful completion of the LATs, each lane or pay station may be opened for use.

3. Site Acceptance Testing (SAT)
   a) Upon installation and successful completion of LATs for all lanes and pay stations within a facility, Offeror shall submit a written request to PMGAA for the commencement of a SAT.
   b) PMGAA shall conduct the SAT over the course of a fourteen (14) day period, utilizing a test protocol developed by PMGAA. Any deficiencies will be documented by PMGAA and provided to Offeror. Offeror shall be responsible for correcting any deficiencies identified during the SAT.

3.3. Final System Acceptance

A. Punch List
   1. Upon completion of the first SAT, Offeror shall provide PMGAA with a punch list document outlining all outstanding issues/deficiencies, plan for resolution, and the estimated date of completion.

B. Final Acceptance
   1. Upon final completion of all site installations, testing, and the completion of all punch list items, PMGAA, in writing, shall formally accept the PARCS and close the project.

4. Storage and Staging Requirements

A. Offeror shall provide PMGAA with the square footage of storage/staging space required and what will be stored/staged in the space. PMGAA shall determine the exact location of the storage/staging area.
B. It is the responsibility of the Offeror to protect all equipment from theft, damage, etc. until such time that the SAT is complete. Offeror shall indicate to PMGAA whether air-conditioned storage space will be required.

C. Offeror shall remove and dispose of all existing equipment to an area designated by PMGAA.

5. Training
A. Offeror shall provide a training plan to PMGAA to include a training schedule and instructional materials for all training groups. The material must include schematics, diagrams, and other pertinent information that can be utilized by PMGAA to train staff in the future.

B. Offeror shall instruct PMGAA’s designated staff and contractors in the operation, adjustment, and maintenance of all products, equipment, and systems.

C. The training shall be provided to the below groups. A PMGAA representative will work with the Offeror to determine the appropriate training to be delivered to each group.
   1. PMGAA Staff
      a) Terminal Operations
      b) Badging Office
   2. Parking Management Contractor
      a) Lot Attendants/Shuttle Drivers
      b) Management

6. Warranty and Post Warranty Maintenance & Support
6.1. Warranty
A. Offeror shall warranty all parts, materials, software, and third-party hardware/software, and workmanship, following receipt of the written Final Acceptance from PMGAA, for a period of twelve (12) months (“Warranty Period”).

B. Offeror shall provide all hardware and software maintenance support during the Warranty Period. All services that are performed during the Warranty Period are assumed to be included as part of the warranty. If there are maintenance or other services that are required and not covered under this subsection, Offeror shall outline those services and costs for those services in their proposal (costs submitted under Tab M).

6.2. Post Warranty Maintenance & Support
A. Offeror shall propose a Maintenance & Support Services Agreement, and all associated costs of such, to PMGAA for four (4) years following the completion of the Warranty Period (costs submitted under Tab M, Agreement submitted under Tab O).

B. All proposed maintenance and service requirements are subject to modification at PMGAA’s discretion.

C. General Requirements
   1. A 24/7 service hotline shall be available for support.
   2. All parts shall be included provided they are used in the course of maintenance and support services.
      a) The below devices are excluded.
         i. Parking Devices (such as Entry/Exit Device, Pay station, and Barrier Arm Unit)
         ii. Network Hardware (such as Switches, servers, and firewalls)

D. Computer/Network Hardware/Software Requirements
   1. Offeror shall provide 24/7 on-site and remote support, including emergencies, for all computer/network software/hardware (manufacturer and third party).
   2. Offeror shall maintain all computer/network equipment, software, databases, peripherals, licenses, etc., to include patching. Patching shall be conducted on a quarterly basis or as-needed basis in the event of a critical patch release.
3. Offeror shall maintain software, database, licensing in accordance to PCI DSS and PA DSS Standards.
4. All testing, upgrades, patch implementation, etc. shall be coordinated with PMGAA to ensure continuity of parking operations and minimize system downtime.

E. Parking Hardware/Software Requirements
1. Offeror shall provide 24/7 on-site and remote support, including emergencies, for all computer/network software/hardware (manufacturer and third party).
2. Offeror shall provide once a quarter, (four times annually), preventative maintenance for all field devices to maintain optimum device performance.

7. Add Alternate
A. License Plate Recognition
1. Offeror shall propose a License Plate Recognition solution to be installed at all entry and exit lanes for the Ray Road Economy and Daily Parking Lots.
2. The LPR solution shall be fully interfaced and integrated into the PARCS.
3. All existing infrastructure shall be utilized. Offeror shall document any proposed changes that would be required to properly operate the LPR solution, such as lane lengthening.
4. PMGAA shall be under no obligation to accept and purchase the LPR solution.
5. Pricing for this option shall be separate from the above Scope of Work and completed and submitted under Attachment E.

8. Post Award Submittals

Solicitation 2022-003-RFP
E. SUBMITTAL INFORMATION AND REQUIREMENTS

Offerors interested in responding to this solicitation should submit a proposal to address the RFP criteria as specified. Offerors must submit one (1) original and four (4) copies of their proposal for a total of five (5). In addition, Offerors shall provide one (1) complete electronic copy of the proposal and all attachments on a flash drive. Failure to include all information requested may cause such incomplete proposals to be rejected and not be evaluated or considered in the selection process.

Proposals must be submitted in a sealed envelope with the solicitation number and the Offeror’s name and address clearly indicated on the envelope. Proposals must be submitted to the contact person indicated on the Notice of Request for Proposals (RFP) on or before the due date. LATE SUBMITTALS WILL NOT BE ACCEPTED.

Information included within the proposal may be used to evaluate your firm as part of any criteria regardless of where that information is found within the proposal. Information obtained from the proposal and from any other relevant source may be used in the evaluation and selection process.

Offeror must organize their proposals into the sections listed below. Each section should be delineated by a divider with a tab labeled appropriately, and each subsection should have a tab. Proposals should be sturdily bound by plastic or metal three ring binder only. All sheets should be letter size (8½”×11”) and must have a page number. This Proposal may not exceed forty (40) single-sided pages. Submissions exceeding the page limit may be considered non-responsive and may be returned to the responder without further evaluation. Pages having photos, charts, and/or graphs that provide additional evaluation information will be counted towards the maximum number of pages.

The following information is not included in the page limit:

1. Submittal Cover Sheet
2. Tabs
3. Table of Contents
4. General Information, maximum of 2 pages
5. Resumes for each key team member, maximum of 2 pages each
6. Attachments A through I
7. Sample Standard Reports

Please submit only the Submittal Section. Do not submit a copy of the entire solicitation document.

Offeror is to Submit the Following:

Tab A – Table of Contents (with page numbers)

Tab B - General Information (maximum of one page, excluding evidence listed in #2 below))
1. Cover Letter identifying the full company name, mailing address, telephone number, and Offeror’s primary place of business, legal company organization information (Corporation, LLC, Joint Venture, etc.), and a brief introduction of the company as it relates to the requested services.
2. Evidence that the firm, if a corporation, is in good standing and qualified to conduct business in Arizona.

Tab C - Relevant Firm Experience
1. Firm’s overall service capability as it relates to this project.
2. List and briefly describe three (5) airport projects completed by your firm within the last 5 (five) years or currently in progress. Include your firm’s role. For each project, include:
3. Complete Attachment G, Project Reference Questionnaire, for the above five (5) comparable projects and, following instructions on the Attachment, provide the form to the references for completion. The forms should be emailed directly to PMGAA from the references, not from the Offeror. Completed forms received from an Offeror will not be accepted nor made part of an Offeror’s submittal.

4. Offeror’s capability and intent to proceed without delay if selected for this work.

5. Provide an organizational chart with names and titles of the key members for this project.

6. List and describe:
   a. Any litigation, arbitration and/or claims filed by your firm against any project owner as a result of a contract dispute
   b. Any claim filed against your firm
   c. Termination from a project

**Tab D - Project Team Experience & Qualifications**

1. Describe each team member’s firm position and experience.

2. Briefly describe each team member’s role on this project.

3. Identify proposed subconsultants, and your method of selection, if applicable. Include in your submittal a proposed subconsultant selection plan and their business resume.

4. Provide resumes of each proposed team member (submit under Tab O).

**Tab E - Project Understanding and Approach**

1. Describe your understanding of the project.

2. Describe your proposed methodology for addressing the items listed in the Scope of Work.

3. Describe the work you anticipate self-performing, and the work you anticipate being performed by subconsultants/subcontractors.

4. Describe your approach to operating within an agreed budget and schedule.

5. Describe your planning, scheduling and project management tools.

6. Provide a detailed phasing and transition plan describing how you plan to close existing lanes of operation, install new equipment, and open the lanes with the new system. This phasing and transition plan shall show how PMGAA (or PMGAA’s representative) will process transaction tokens that were produced with the existing system. This plan should detail the number and location of lanes that will be operational with the new system during the “go-live” activity and when the additional lanes will be activated to process transactions with the new system.

7. Provide lead times on all equipment required to implement the entire proposed solution, including any ancillary equipment/devices.

**Tab F – Proposed Solution**

1. Provide a complete detailed solution to meet the Scope of Work as detailed in this RFP, with the required submittal information including, but not limited to, the following:
   a. How proposed equipment meets required environmental conditions ratings
   b. Offeror’s preferred credit card processor
   c. Offeror’s recommended credit card readers and whether they ingest the credit cards or not
   d. Whether Offeror’s proposed solution offers a cellular network redundancy
   e. Include examples of the displays for all Entry, Exit, Nested Lane Devices and Pay Station Devices
   f. Description of Voice Instruction/Enunciators and whether standard or optional for Devices
   g. Any enhanced functionality and associated requirements or improvements needed for signage
   h. Sample standard reports available
2. For Offeror’s required storage/staging space include:
   a. Square footage required
   b. A list of what will be stored/staged in the space
   c. Indicate whether air-conditioned storage space will be required

**Tab G – Quality Assurance/Quality Control (QA/QC) Plan**
1. Provide a comprehensive QA/QC plan to ensure the quality of all activities, including design, purchasing, manufacturing, installation, testing, etc.
2. Describe how Offeror will ensure the plan is followed/incorporated into work/products provided by suppliers and subcontractors of Offeror for this project (if applicable).

**Tab H – Training Plan**
1. Provide an overview of Offeror’s training plan for all training groups as listed in Section 5, including a timeline.

**Tab I – Warranty and Post Warranty Maintenance & Support**
1. Complete warranty/maintenance support cost information in Attachment E.
2. Provide a sample of Offeror’s Maintenance and Support Services Agreement that meets the Scope of Work requirements as stated in this RFP for PMGAA’s review.

**Tab J – Infrastructure Requirements**
1. Provide all IT infrastructure requirements such as rack space, connectivity, etc.
2. Provide all facilities requirements such as power, mounting, etc.

**Tab K – Preliminary System Design Schematic**
1. Provide proposed preliminary System Design Schematics.

**Tab L – Preliminary Device Naming Conventions**
1. Provide proposed preliminary Device Naming Conventions.

**Tab M - Price Proposal**
1. Complete Attachment E. Upon selection of Offeror, Offeror shall provide a detailed cost by line item of each component provided on Attachment E and F to include in the final Professional Services Agreement with PMGAA.

**Tab N – Add Alternate, License Plate Recognition**
1. Provide a License Plate Recognition solution to be installed at all entry and exit lanes to meet the requirements as stated in this RFP. Include any proposed changes that would be required to properly install and operate the LPR solution.
2. Complete applicable section on Attachment E, Add Alternate Price Proposal for License Plate Recognition.
Tab O - Appendices
1. Attachment A, Standard Certifications

G. SELECTION PROCESS
1. PMGAA will appoint an evaluation panel to evaluate each Offeror’s proposal. Using the criteria and weighting listed herein, the evaluation panel will rank the Offerors in order of highest to lowest score.

2. PMGAA may contact and interview references provided by each Offeror. If contacted, references will be scored under Training Plan, References, and Miscellaneous in the Evaluation Criteria.

3. The evaluation panel may, at its sole discretion, select the highest ranked Offeror solely based on the evaluation panel’s scoring of the Offerors’ proposal and references without interviews or additional submissions.

4. Alternatively, the evaluation panel may, at its sole discretion, create a short list of the top-ranked Offerors and thereafter conduct interviews regarding the project with the short listed, top-ranked Offerors. If interviews are conducted, the evaluation panel will re-score the short-listed Offerors.
according to the Evaluation Criteria and re-rank the short-listed Offerors in order of highest to lowest score.

5. The evaluation panel may, at its sole discretion, request all or the short listed, top-ranked Offerors to submit Best and Final Offers (BAFO). If BAFOs are solicited, the evaluation panel will re-score all Offerors submitting BAFOs according to the Evaluation Criteria and re-rank the Offerors submitting BAFOs in order of highest to lowest score.

6. Offerors may be evaluated in accordance with the Evaluation Criteria using information obtained by any combination of the following: 1) Proposals and BAFOs submitted in response to this RFP; 2) reference verification; 3) interview performance (if conducted); and 4) any information from any source about the Offeror, whether included in the proposal or not.

7. A notification will be posted on PMGAA’s website following a selection determination.

8. PMGAA intends to enter into negotiations with the highest ranked Offeror(s) to finalize a Standard Form Professional Services Agreement for the services. If an agreement cannot be successfully negotiated with the highest ranked Offeror(s), then negotiations may be terminated with that Offeror and PMGAA may enter negotiations with the next highest ranked Offeror until an agreement is reached or an impasse is declared.
Section Three – Standard Terms and Conditions

1. Certification. Offeror certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Offeror hereby certifies that the individual signing this Contract is an authorized agent for Offeror and has the authority to bind the Offeror to the Contract.

2. Termination of Contract.
   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Offeror to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.
      (1) Offeror has provided personnel that do not meet the requirements of the Contract.
      (2) Offeror has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.
      (3) Offeror has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.
      (4) Offeror has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.
      (5) Offeror has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Offeror fails to give PMGAA adequate assurance the Offeror will perform the Contract in full and on time.
      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Offeror regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.
   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days' advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA's convenience and with fourteen (14) days' written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. Dispute Resolution.
   a. Negotiations. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.
b. **Mediation.** Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution.** Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys’ fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Offeror nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Offeror, including Workers’ Compensation coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA’s payments under this Contract.

5. **Affirmative Action.** Offeror shall abide by all the federal and state of Arizona provisions for equal opportunity in the workplace.

6. **Human Relations.** Offeror shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract.** This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Offeror shall comply with all applicable provisions of the Americans with Disabilities Act (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the Act.

9. **Confidentiality of Records.** Offeror shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Offeror also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Offeror as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Offeror, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Offeror or any agent or representative of Offeror, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Offeror the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.
12. **Contract.** This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Offeror under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Offeror. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments.** This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or its designee, and persons duly authorized to enter into contracts on behalf of Offeror.

14. **Provisions Required by Law.** Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Offeror shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Offeror damages PMGAA’s property in any way, Offeror shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Offeror fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Offeror under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Offeror shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Offeror of its acceptance or rejection within forty-five (45) days of written request by Offeror. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Offeror referred to herein. Offeror is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party’s existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Offeror’s services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Offeror warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Offeror or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Offeror shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the “Indemnities”), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Offeror’s acts, errors, omissions, or mistakes relating to Offeror’s services under this Contract.
22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party’s intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Offeror shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA’s expense, inspect the place of Offeror’s or any of Offeror’s subcontractor’s business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party (“Required Act”), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God (“Force Majeure Event”), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Offeror to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years’ climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Offeror’s risk and may be returned to Offeror. If so returned, all costs are the responsibility of Offeror. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Offeror or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Offeror shall provide a formal release of all liens.

30. **Licenses.** Offeror shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Offeror as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.
32. **Clean Up.** Offeror shall at all times keep Contract performance areas, including storage areas used by the Offeror, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Offeror shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Offeror shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys’ fees, for any alleged infringement of any person’s patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Offeror under this Contract.

34. **Records and Audit Rights.** Offeror’s and all of its approved subcontractors’ books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Offeror and subcontractor employees that work on the Contract (all the foregoing collectively referred to as “Records”), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Offeror’s and its subcontractor’s actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Offeror and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Offeror under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Offeror and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Offeror or subcontractors reasonable advance notice of intended audits. Offeror shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Offeror and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Offeror’s or its subcontractors’ failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Offeror’s and any of Offeror’s subcontractor’s employee who works on this Contract to ensure the Offeror is complying with this paragraph.
Complete Attachment A by checking the applicable box(s) and/or providing responses. Failure to complete this Attachment A in its entirety and submit with Offeror’s proposal will result in Offeror’s submittal being deemed nonresponsive and not evaluated.

If Offeror cannot affirmatively certify to statement numbers 1 and 2 below, Offeror’s submittal will be rejected and will not be evaluated.

No less than $5,000,000 per occurrence / $5,000,000 policy aggregate extending coverage over the General Liability, Auto Liability and Employer’s Liability policies.

**CERTIFICATES OF INSURANCE AND ENDORSEMENTS.**

Check one or both if insurance is required: ☒ Certificate Required ☐ Endorsement Required

As evidence of the insurance coverages required by this Contract, the Offeror shall furnish acceptable insurance certificates and endorsements to PMGAA prior to commencement of any work under this Contract. For work performed under this Contract, the insuring company’s certificates and endorsements shall be endorsed to include the following additional insured language: “The Phoenix-Mesa Gateway Airport Authority shall be named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of Offeror.” If requested, complete copies of insurance policies, trust agreements, etc. shall be provided to PMGAA. The Offeror shall be financially responsible for all pertinent deductibles, self-insured retentions and/or self-insurance.

**NOTICE OF CANCELLATION OR CHANGE.**

There shall be no cancellation, material change, reduction of limits or intent not to renew the insurance coverage(s) without thirty (30) days' written notice from the Offeror or its insurer(s) to PMGAA.
Offeror hereby certifies that as an Offeror to PMGAA’s Solicitation 2022-003-RFP for Parking Access Revenue Control System for Phoenix-Mesa Gateway Airport, Offeror is fully aware of Insurance Requirements as specified in this Attachment D as well as those contained in the sample Standard Form Professional Services Agreement (Exhibit 1) and by the submission of this RFP submittal, Offeror hereby assures PMGAA that Offeror is able to produce the insurance coverage required should Offeror be selected to be awarded the Professional Services Agreement.

Within ten days of execution of a contract with PMGAA, the successful Offeror shall furnish proof of insurance meeting the requirements of, and in the amounts listed in Attachment D, and Exhibit 1, sample Standard Form Professional Services Agreement.

Should Offeror be awarded the Standard Form Professional Services Agreement by PMGAA, and then become unable to produce the insurance coverage specified within ten working days, Offeror is fully aware and understand that PMGAA may not consider Offeror for this and future projects.

Agreement Review Statement

As an Offeror to PMGAA’s Solicitation 2022-003-RFP, Parking Access Revenue Control System, Offeror hereby certifies that Offeror has reviewed the PMGAA sample Standard Form Professional Services Agreement (Exhibit 1) and Section Three, Standard Terms and Conditions to be attached to the Standard Form Professional Services Agreement and have listed any objections to them below. The response shall clearly identify if the attached sample Standard Form Professional Services Agreement is acceptable in all respects. If the Agreement is not acceptable, the response shall identify the unacceptable clauses and shall provide suggested alternate language. General or vague statements or invitations to discuss further are not adequate answers.

Offeror is aware any objections to the sample Standard Form Professional Services Agreement (or to Section Three, Standard Terms and Conditions) will be considered and included in PMGAA’s evaluation of my firm’s qualifications. Offeror is also aware, if Offeror fails to list any objections to PMGAA’s sample Standard Form Professional Services Agreement, including the Standard Terms and Conditions, Offeror will not be allowed to raise any objections later if selected as the most qualified Offeror.

Phoenix-Mesa Gateway Airport Authority, a joint powers airport authority authorized by the State of Arizona ("PMGAA") desires performance of the services more fully described in this Contract Number C-XXXXXXX ("Contract") and the attached exhibits. [Consultant], a(n) <state> <type of company> ("Consultant"), with its principal offices located at [address], desires to perform these services.

Recitals

A. PMGAA requires the services as described in this Contract, including any and all exhibits and amendments, and Consultant is willing to provide these and other services under this Contract; and

B. PMGAA desires to contract with Consultant to provide services as noted herein.

Now therefore, in consideration of the recitals and the mutual covenants set forth below, PMGAA and Consultant agree as follows.

SECTION I – CONSULTANT SERVICES

The services to be performed by Consultant are specified in this Contract. PMGAA will not pay Consultant for any services that have not been authorized under the Contract. There is no guarantee of a minimum purchase of services.

The anticipated services to be provided by Consultant under this Contract shall generally include, but not be limited to, the following: Parking Access Revenue Control System – purchase, installation, and initial warranty, as more specifically described in the detailed scope of services attached as EXHIBIT A, “Scope of Services & Fee Schedule.” The parties have or will have executed a separate agreement for Support and Maintenance.

PMGAA’s authorized representative shall be the PMGAA Operations and Maintenance Director or his/her duly authorized representative, and that he/she shall be the sole contact for administering this Contract.

All services provided by Consultant under this Contract must be performed in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances in Arizona. Consultant makes no other warranty, expressed or implied.

SECTION II – PMGAA RESPONSIBILITIES

PMGAA shall furnish Consultant, at no cost to Consultant, the following information or services for this Contract:

A. Access to copies of readily available maps, records, as-built drawings, benchmarks or other data pertinent to work assignments affiliated with this Contract. This does not, however, relieve Consultant of the responsibility of searching records for additional information, for requesting specific information or for verification of that information provided. PMGAA does not warrant the accuracy or comprehensiveness of any information or documents provided to Consultant.

B. In PMGAA’s discretion and upon Consultant’s reasonable request, access to staff for consultation with Consultant during the performance of this contract in order to identify the problems, needs, and other functional aspects of the work.

C. Prompt review of and feedback on Consultant’s deliverables. PMGAA will advise Consultant concerning progress of PMGAA’s review of the work, as needed.

SECTION III - PERIOD OF SERVICE

Consultant shall complete all work in accordance with the provisions of this Contract as amended.

All work initiated under this Contract must be completed on or before the expiration date of the Contract as amended.

The term of this Contract shall commence on [date] and ends upon final completion and acceptance by PMGAA of the project, as defined by the Scope of Services (“Base Term”), unless terminated, canceled or extended as provided in this Contract.

Consultant shall commence its services within seven (7) days of the written authorization by PMGAA. Consultant shall perform its services in a diligent manner and in accordance with this Contract.
SECTION IV – KEY PERSONNEL

The Consultant itself shall provide all services to be performed under this Contract. If Sub-Consultants are required by Consultant to perform any services listed under this contract, Consultant shall notify PMGAA prior to authorizing work by said Sub-Consultants. PMGAA may, at its sole discretion, accept or reject proposed Sub-Consultants. OR adjust based on RFP selected if needed.

SECTION V - PAYMENTS TO THE CONSULTANT

Consultant will be paid for work performed under this Contract plus any adjustments that have been approved in writing by PMGAA in accordance with PMGAA's Procurement Policy. Payments will be made in accordance with EXHIBIT B, “Compensation.”

All services to be rendered by Consultant are subject to the terms of EXHIBIT B, “Compensation” attached hereto. PMGAA does not guarantee any minimum or maximum fee during the Term of this Contract, and Consultant, in executing this Contract, shall not anticipate or require any minimum or maximum fee.

All invoices submitted to PMGAA shall be certified and approved by PMGAA prior to paying Consultant. Payments to Consultant shall be paid in accordance with Section XIII, Times of Payments.

SECTION VI - ALTERATION IN SCOPE OF SERVICES

For any alteration in the Scope of Services that would materially increase or decrease the Contract fee, the parties shall negotiate an amendment to the Contract to be executed by PMGAA and Consultant. No work shall commence on any amendment or change until the amendment has been approved by PMGAA and Consultant has been notified to proceed by PMGAA. No claim for extra work done or materials furnished by Consultant will be allowed by PMGAA, except as provided herein, nor shall Consultant do any work or furnish any materials not covered by this Contract unless the work is first authorized in writing by PMGAA and the change complies with PMGAA's Procurement Policy. Any work or materials furnished by Consultant without advance, written authorization will be at Consultant's own risk, cost, and expense. Without written authorization, Consultant shall make no claim for compensation for such work or materials furnished.

SECTION VII - WORK ASSIGNMENT COMPLETION

If, during the Term of this Contract, situations arise which prevent work completion within the allotted time, PMGAA may grant an appropriate time extension.

SECTION VIII - OWNERSHIP OF DOCUMENTS

Any documents, including all electronic copies thereof, prepared under or as a result of this Contract, shall be the property of PMGAA. To the extent necessary to effectuate such ownership, Consultant hereby assigns all right, title and interests to such documents to PMGAA. Consultant shall execute any separate contracts or documents, if any, which may be necessary to implement the terms of this Section.

All of Consultant’s documents prepared under this Contract, including electronic files, are instruments of service. All of these documents become the property of PMGAA upon completion of the services and payment in full to Consultant. PMGAA may reuse or modify the documents, as it deems necessary, without Consultant’s prior written authorization. PMGAA shall indemnify and hold harmless Consultant, its officers, directors, employees and subconsultants (collectively, the “Consultant”) against any and all damages, liabilities or costs arising from PMGAA’s modification of documents produced by Consultant under this Contract unless Consultant authorizes the modification in writing.

SECTION IX - COMPLIANCE WITH LAWS

Consultant shall comply with all federal, state and local laws, local ordinances and regulations throughout the Term. Consultant’s signature on this Contract certifies compliance with the provisions of the I-9 requirements of the Immigration Reform and Control Act of 1986 for all personnel that Consultant and any subconsultants employ to complete any work assignment.
PMGAA shall administer this Contract in accordance with PMGAA’s Procurement Policy.

SECTION X - GENERAL CONSIDERATIONS

A. The failure of either party to enforce any of the provisions of this Contract or require performance of the other party of any of the provisions hereof shall not be construed to be a waiver of the provisions, nor shall it affect the validity of this Contract or the right of either party to enforce each and every provision.

B. The fact that PMGAA has accepted or approved Consultant’s work shall in no way relieve Consultant of responsibility for the work under this Contract.

C. This Contract shall be governed by the laws of the state of Arizona, both as to interpretation and performance. Any action at law, suit in equity, or judicial proceeding for the enforcement of this Contract, or any provision thereof, shall be instituted only in the courts of the state of Arizona.

D. All exhibits to this Contract and any amendments to the Contract are incorporated into it.

SECTION XI - NO KICK-BACK CERTIFICATION

Consultant warrants that no person has been employed or retained to solicit or secure this Contract upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee and that no member of the PMGAA Board of Directors or any employee of PMGAA has any interest, financially or otherwise, in Consultant’s firm.

For breach or violation of this warranty, PMGAA may annul this Contract without liability.

SECTION XII – SUSPENSION OF SERVICES

Consultant shall, within five (5) business days upon receiving written notice from PMGAA, suspend, delay, or interrupt all or a part of the Scope of Services. Consultant shall resume the Scope of Services within five (5) business days of receiving written notice from PMGAA.

SECTION XIII – TIMES OF PAYMENTS

Consultant shall submit monthly invoices, with progress reports, for services actually completed. PMGAA shall review, certify, and approve or reject each invoice in whole or in part. PMGAA shall pay each approved invoice within 30 calendar days of the date that PMGAA approves the invoice.

SECTION XIV – TIMELY REVIEW

PMGAA will review Consultant’s studies, reports, proposals, and other related documents and render any decisions required by Consultant in a timely manner. Notwithstanding these reviews, Consultant remains solely responsible for all of its deliverables and services under this Contract. By PMGAA’s reviews, PMGAA does not assume any liability for or retained control over Consultant’s work or Consultant’s responsibility for the safety of its employees.

SECTION XV – DISPUTE RESOLUTION

All disputes between PMGAA and Consultant arising out of or relating to this Contract will be subject to the Dispute Resolution provisions as set forth in EXHIBIT D, “PMGAA Standard Terms and Conditions”, attached hereto and incorporated herein by reference.

PMGAA and Consultant shall include a similar dispute resolution provision in all contracts with other contractors and consultants retained for the Project and shall require all other independent contractors and consultants to include a similar dispute resolution provision in all contracts with subcontractors, subconsultants, suppliers or fabricators retained by them.

SECTION XVI - LIABILITY OF CONSULTANT

To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its member governments, departments, officers, employees, and agents from and against damages arising out of any act, error, or omission of Consultant relating to its services under this Contract.
SECTION XVII - LAWS AND REGULATIONS

All federal, state, and local laws and regulations that relate to Consultant’s services apply to Consultant’s performance of this Contract throughout. These laws and regulations are deemed included in this Contract the same as though written out in full, especially the current applicable Federal Aviation Administration (FAA) rules and regulations associated with airport projects; pertinent Airport engineering standards; and local rules, regulations, and industry standards.

SECTION XVIII – NOT USED

SECTION XIX INSURANCE REQUIREMENTS

A. Consultant shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, its agents, representatives, or employees.

B. All insurance policies required by this Contract, except *Workers Compensation* and *Professional Liability*, shall name PMGAA, its agents, representatives, officers, directors, officials and employees as Additional Insured.

C. Minimum Scope and Limits of Insurance. Coverage shall be at least as broad as:
   i. Professional Liability (Errors and Omissions): Insurance appropriate to the Consultant’s profession, with limit no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.
   ii. Commercial General Liability: Insurance Services Office Form CG 00 01 covering Bodily Injury and Property Damage on an “occurrence” basis, including personal & advertising injury with limits no less than $1,000,000 per occurrence, $2,000,000 General Aggregate.
   iii. Auto Liability: ISO Form CA 00 01 covering any auto (Symbol 1), or if Consultant has no owned autos, hired, (Symbol 8) and non-owned autos (Symbol 9), with limit no less than $1,000,000 Combined Single limit per accident for bodily injury and property damage ($5,000,000 if operating in the Air Operations Area of the Airport).
   iv. Workers’ Compensation: Statutory Limits as required by the state of Arizona, and Employer’s Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

D. If the Consultant maintains higher limits than the minimums shown above, PMGAA requires and shall be entitled to coverage for the higher limits maintained by the Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to PMGAA.

E. Additional insurance provisions. The insurance policies shall provide, or be endorsed to include, the following provisions:
   i. Notice of Cancellation: Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to PMGAA.
   ii. Waiver of Subrogation: Consultant waives any right to subrogation. Consultant shall obtain an endorsement necessary to affect this waiver of subrogation from the insurer for all lines of coverage required by this Contract, except *Workers Compensation* and *Professional Liability*, for claims arising out of the Consultant’s work or service.
   iii. Primary Coverage: For all claims related to this Contract, all of Consultant’s insurance policies will be primary and non-contributory. Any insurance or self-insurance maintained by PMGAA, its officers, officials, employees, or volunteers will be in excess of Consultant’s insurance and will not contribute with it.
   iv. Deductibles and Self-Insured Retentions: Any deductibles or self-insured retentions must be declared to and approved by PMGAA. PMGAA may require the Consultant to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.
   v. Acceptability of Insurers: Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A, VII, unless otherwise acceptable to PMGAA.
   vi. Claims Made Policies: No Claims Made policies (other than Professional Liability) will be accepted. For policies that provide claims-made coverage:
a) The **Retroactive Date** must be shown and must be before the date of the contract or the beginning of contract work.

b) Insurance must be maintained, and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

c) If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase “extended reporting” coverage for a minimum of five (5) years after completion of work.

vii. Verification of Coverage: Consultant shall furnish PMGAA with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by PMGAA before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant’s obligation to provide the required insurance. PMGAA reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

viii. Subcontractors: Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Consultant shall ensure that PMGAA is an additional insured on insurance required from subcontractors.

ix. Special Risks or Circumstances: PMGAA reserves the right to modify these requirements, including limits, based on the nature of the risk, scope of services, prior experience, insurer, coverage, or other special circumstances.

**EXHIBIT B - COMPENSATION**

All compensation for services rendered by Consultant shall be based upon criteria established below. All services must be billed through the Consultant.

1. **Fees to be Specified in Contract**
   Any and all services to be performed under this Contract require approval. All compensation for services shall be identified in writing. The Contract shall describe the scope of services to be performed (by tasks and subtasks, where appropriate), the fees associated with that performance, and any applicable special provisions. Consultant’s compensation for services included in this Contract is totaled and set forth in **EXHIBIT A**, “Scope of Services and Fee Schedule”.

2. **Method of Payment**
   Subject to the terms of this Contract, PMGAA shall pay Consultant the appropriate rate or fixed price amount for services rendered as described in the Contract only after Consultant has submitted an invoice for services performed and PMGAA has certified and approved each invoice.

   For services rendered in accordance with the Contract, Consultant shall submit to PMGAA an invoice depicting tasks performed and/or hours spent for services performed. Invoices must be based on the actual hours and/or expenses incurred for the services completed during the billing period. Consultant’s invoices must specify that Consultant has performed the services, and PMGAA must certify and approve each invoice as a condition to payment.

3. **Consultant Responsibilities for Compensation**
   Consultant shall prepare monthly invoices and/or progress reports in accordance with terms specified in the Contract. Progress reports will clearly indicate the progress to date and the amount of compensation due by virtue of that progress. All invoices for payment shall be for work completed unless otherwise agreed to by PMGAA.

   Invoices/requisitions for payment for services subject to funding by the FAA and/or ADOT shall include the documentation requirements of the FAA and/or ADOT, which are outlined in the *Airport Improvement Program (AIP) Handbook* dated September 30, 2014, or most current version.

4. **PMGAA Responsibilities for Compensation**
   PMGAA agrees to pay Consultant’s invoices for payment within 30 calendar days after the invoice is approved. PMGAA may withhold payment on any invoice if it believes that Consultant has not performed the work in a satisfactory manner. If PMGAA withholds payment to Consultant, PMGAA shall promptly notify Consultant and explain the reasons for the decision to withhold payment.

5. **Billing Address**
   All invoices submitted to PMGAA for payment shall be submitted to:
   
   Phoenix-Mesa Gateway Airport Authority  
   Attn: Operations and Maintenance Director  
   5835 S. Sossaman Road  
   Mesa, Arizona 85212
EXHIBIT C - SPECIAL PROVISIONS

1. **Civil Rights Act of 1964, Title VI – General**
   The contractor agrees to comply with pertinent statues, Executive Orders and such rules as are promulgated to ensure that no person shall, on the grounds of race, creed, color or national origin, sex, age or disability be excluded from participating in any activity conducted with or benefiting from Federal assistance.

2. **Civil Rights Act of 1964, Title VI – Assurances**
   During the performance of this Contract, the contractor, for itself, its assignees and successors in interest agrees as follows:
   a. **Compliance with Regulations** – Compliance with Regulations: The contractor (hereinafter includes consultants) will comply with the Title VI List of Pertinent Nondiscrimination Acts And Authorities, as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
   b. **Nondiscrimination** – The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, or national origin in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Nondiscrimination Acts and Authorities, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
   c. **Solicitations for Subcontracts, including Procurements of Materials and Equipment** – In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor's obligations under this contract and the Nondiscrimination Acts And Authorities on the grounds of race, color, or national origin.
   d. **Information and Reports** – The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by PMGAA or the FAA to be pertinent to ascertain compliance with such Nondiscrimination Acts And Authorities and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to PMGAA or the FAA as appropriate, and will set forth what efforts it has made to obtain the information.
   e. **Sanctions for Noncompliance** – In the event of a contractor's noncompliance with the Nondiscrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FAA may determine to be appropriate, including, but not limited to:
      i) Withholding of payments to the contractor under the contract until the contractor complies, and/or;
      ii) Cancellation, termination, or suspension of the Contract, in whole or in part.
   f. **Incorporation of Provisions** – The contractor will include the provisions of paragraphs one through six of this EXHIBIT C in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as PMGAA or the FAA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided, that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request PMGAA to enter into any litigation to protect the interests of PMGAA. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

3. **Civil Rights – Title VI List of Pertinent Nondiscrimination Acts and Authorities**
During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the “contractor”) agrees to comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- 49 CFR part 21 (Non-discrimination In Federally-Assisted Programs of The Department of Transportation—Effectuation of Title VI of The Civil Rights Act of 1964);
- The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age);
- Airport and Airway Improvement Act of 1982, (49 USC § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex);
- The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms “programs or activities” to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not);
- Titles II and III of the Americans with Disabilities Act of 1990, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 CFR parts 37 and 38;
- The FAA’s Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

4. **Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion**

Consultant, by accepting this Contract, certifies that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any government department or agency.

5. **Project Security**

As some or all portions of work possible during the Term of this Contract may be located inside the secured area of the Airport, adherence to and familiarity with federal security regulations is essential. For these projects, Consultant shall be responsible for fulfilling the security requirements described herein.

a. **Secured Area Access** – All Consultant personnel who require unescorted access to the secured area of the Airport, prior to the issuance of an Airport Identification badge, must successfully complete the Security Badge Application and Security Badge Authorization forms.

b. **Employee Security Badges** – If deemed necessary by PMGAA all Consultant and/or subcontractor personnel performing work functions in accordance with this Contract shall obtain and properly display an
Airport security badge. Consultant shall submit a Security Badge Application form to the PMGAA security office for each employee requiring unescorted access, along with the current fee for each badge. Badge fees are identified on the current Airport Fees, Services and Rental Rates available via the Airport website at [www.gatewayairport.com](http://www.gatewayairport.com) and are subject to change.

i. All fees must be paid to PMGAA by cash or check.

ii. Airport Security Badge Application forms and instructions are available via the Airport website at [www.gatewayairport.com](http://www.gatewayairport.com).

iii. An authorized representative of Consultant must also obtain and submit a Security Media Authorization form, which is to be submitted to the PMGAA badging office. The Security Media Authorization form and instructions are available via the Airport website at [www.gatewayairport.com](http://www.gatewayairport.com).

iv. A training class on aviation security must be successfully completed before individuals are issued a badge. Fees for the security badge include attendance for the necessary training classes. Attendance at the security classes and issuance of the security badge may take two hours per person.

v. Additional information, including a “Frequently Asked Questions” is available via the Airport website at [www.gatewayairport.com](http://www.gatewayairport.com) or by contacting the PMGAA Badging Office at (480) 988-7522. The Badging Office is located at 5803 S. Sossaman Road, Mesa AZ 85212.

vi. Consultant shall immediately notify the PMGAA Badging Office of any Consultant personnel whose employment status has changed.

vii. Consultant shall retrieve all security badges and keys and return them to the PMGAA Badging Office. A fee, as indicated on the most current Airport Rates and Charges Schedule, will be charged for each badge that is damaged, lost or not returned.

viii. The PMGAA Badging Office will require a completed Security Badge Application from each Consultant employee so certified by Consultant as requiring such before a Security Badge is issued.

ix. Under certain circumstances and out of control of PMGAA, security measures may change on short notice. No deviations from any security measure shall be allowed at any time.

x. At all times, aircraft shall have the right-of-way over all vehicle traffic.

c. **Fines** – Due to both the safety and security precautions necessary at the Airport, any failure of the Consultant to adhere to prescribed Airport requirements/regulations has consequences that may jeopardize the health, welfare and lives of Airport customers and employees, as well as the Consultant’s own employees. Therefore, if Consultant is found to be in non-compliance with any security, airfield badging/licensing and airfield safety requirement, a Notice of Violations (NOV) may be issued. A current listing of fines is available by contacting the PMGAA Badging Office.

6. **Standard Terms & Conditions**

PMGAA’s Standard Terms & Conditions (in EXHIBIT D attached) include clauses that pertain to both construction and professional services. For such, the term “contractor” is to be considered same as “consultant.” If a clause implies construction service then it is waived for a professional services contract. PMGAA reserves the right to make that determination if there is a conflict.

7. **Federal and State Guidelines and Regulations**

All work performed under this Contract must satisfy FAA and applicable agency standards, and be accomplished in accordance with applicable federal, state and local guidelines and regulations, including FAA Advisory Circulars, NEPA and Arizona environmental statutes.

Consultant shall perform the services as described in approved Contract in accordance with the applicable requirements imposed by PMGAA, ADOT, FAA and any other applicable sponsoring agencies. Consultant and its subconsultants/subcontractors, if any, shall comply with any and all applicable laws, regulations, executive orders, policies, guidelines, and any other requirements for FAA Airport Improvement Program (AIP) projects. Consultant shall provide PMGAA all information, reports, documents, and/or certifications requested by PMGAA for the satisfaction of any grant requirements for the reimbursement of services, including, without limitation, identifying the specific services provided by Consultant and the billing period(s) during which services were or are to be provided. Nothing herein shall be construed as making the FAA or ADOT a party to this Contract.
8. **Right to Contract With Other Firms**

PMGAA shall have the right to contract with other firms and/or persons and/or to self-perform additional services, which may be the subject of this Contract. Consultant shall conduct its operations and perform any services authorized under the Contract so as not to interfere with or hinder the progress of completion of the work being performed by PMGAA and/or other firms and/or persons. Consultants working on the same project shall cooperate with each other in the performance, scheduling, and, if applicable, the integration of their respective services.

9. **Independent Contractor Status**

At all relevant times, Consultant is - and shall remain - an independent contractor with regard to performance of its services. PMGAA retains no control over Consultant, the performance of its work or services, or the safety of its employees. Consultant is not authorized to enter into any contract or commitment, authorize any payment, or accept any document, services, goods or materials for, in the name of, or on behalf of PMGAA.
EXHIBIT D – PMGAA STANDARD TERMS & CONDITIONS

1. Certification. Consultant certifies:
   a. The award of this Contract did not involve collusion or other anti-competitive practices.
   b. It shall not discriminate against any employee or applicant for employment in violation of Federal Executive Order 11246, or A.R.S. Section 31-1461, et. seq.
   c. It has not given, offered to give, nor intends to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with this Contract; and Consultant hereby certifies that the individual signing this Contract is an authorized agent for Consultant and has the authority to bind the Consultant to the Contract.

2. Termination of Contract.
   a. PMGAA reserves the right to cancel this Contract in whole or in part due to failure of Consultant to carry out any term, promise, or condition of the Contract. At least ten (10) business days before terminating the Contract, PMGAA will issue a written notice of default specifying one of the following reasons. PMGAA shall, at all times during the term of the Contract or any extension term thereto, have the sole authority to determine if the default has been cured to its satisfaction.
      (1) Consultant has provided personnel that do not meet the requirements of the Contract.
      (2) Consultant has failed to perform adequately the stipulations, conditions or services/specifications required in this Contract.
      (3) Consultant has attempted to impose on PMGAA personnel or materials, products, or workmanship of unacceptable quality.
      (4) Consultant has failed to furnish the required service(s) and/or product(s) within the time stipulated in the Contract or associated Authorization of Services.
      (5) Consultant has failed to make progress in the performance of the requirements of the Contract or Authorization of Services, or Consultant fails to give PMGAA adequate assurance the Consultant will perform the Contract in full and on time.
      (6) Each payment obligation of PMGAA created hereby is conditioned on the availability of PMGAA, state, or federal funds appropriated for payment of the obligation. If funds are not available or allocated by PMGAA for continuance of service under this Contract, then PMGAA may terminate the Contract. PMGAA shall promptly notify Consultant regarding the service that may be affected by a shortage of funds. No penalty accrues to PMGAA if this provision is exercised, and PMGAA shall not be liable for any future payments due or for any damages as a result of termination under this paragraph.
   b. This Contract may be terminated at any time by mutual written consent or by PMGAA - with or without cause - provided the terminating party gives fourteen (14) calendar days’ advance written notice to the other party. PMGAA may terminate this Contract, in whole or in part, for PMGAA’s convenience and with fourteen (14) days’ written notice. If this Contract is terminated, then PMGAA is liable only for services rendered and material received, certified, and approved by PMGAA under the Contract before the termination effective date.

3. Dispute Resolution.
   a. Negotiations. If a dispute arises out of or relates to this Contract or its breach, the parties to this Contract shall endeavor to settle the dispute through direct discussions as a condition precedent to mediation or binding dispute resolution.
   b. Mediation. Should the parties to this Contract be unable to resolve their dispute through direct negotiations, the parties to this Contract, upon the written request of either, shall engage in mediation, to be administered privately by a mediator and according to rules mutually agreed upon by the parties to this Contract, or, the absence of such mutual agreement, by a mediator appointed by JAMS and administered
by JAMS in accordance with its then-current mediation rules. The fees and costs of mediation shall be split equally by the parties to this Contract, but subject to reallocation following binding dispute resolution.

c. **Binding Dispute Resolution.** Should the parties to this Contract be unable to resolve their dispute through direct negotiations or mediation, either party may, within the time limitations for bringing claims under Arizona law and this Contract, commence formal dispute resolution proceedings. Both parties to this Contract consent to binding arbitration administered by JAMS according to its then current arbitration rules, provided, however, that (i) in the event both parties agree, the arbitration may be administered privately by an arbitrator and according to rules mutually agreed upon by the parties to this Contract, and (ii) in the event any party seeks relief against the other party or against a non-party which cannot fully be granted in arbitration, by reason of non-joinder or otherwise, the parties to this Contract are excused from this arbitration requirement and the parties to this Contract shall proceed in the state or federal courts of competent jurisdiction and located in Maricopa County, Arizona. In any arbitration or litigation, the prevailing party shall be entitled to an award of its reasonable attorneys’ fees and costs as determined by the arbitrator or court as applicable.

4. **Independent Contractor.** At all times, each party acts in its individual capacity not as agent, employee, partner, joint venturer, or associate of the other party. An employee or agent of one party may not be deemed or construed to be the employee or agent of the other party for any purpose whatsoever. Neither Consultant nor any of its employees are entitled to compensation from PMGAA in the form of salaries, paid vacation, or sick days. PMGAA will not provide any insurance to Consultant, including *Workers' Compensation* coverage. PMGAA will not withhold FICA, taxes, or any similar deductions from PMGAA’s payments under this Contract.

5. **Affirmative Action.** Consultant shall abide by all the federal and state of Arizona provisions for equal opportunity in the work place.

6. **Human Relations.** Consultant shall abide by all the federal and state of Arizona provisions against discrimination of disadvantaged business enterprises in applicable PMGAA contracts.

7. **Non-Exclusive Contract.** This Contract is for the sole convenience of PMGAA. PMGAA reserves the right in its discretion to obtain the same or similar goods or services from any other source.

8. **Americans with Disabilities Act.** Consultant shall comply with all applicable provisions of the *Americans with Disabilities Act* (Public Law 101-336, 42 U.S.C. 12101-12213) and applicable federal regulations under the Act.

9. **Confidentiality of Records.** Consultant shall establish and maintain procedures and controls that are acceptable to PMGAA for the purpose of assuring that no information contained in its records or obtained from PMGAA or from others in carrying out its functions under the Contract shall be used by or disclosed by it, its agents, officers, or employees, except as required to efficiently perform duties under this Contract. Persons requesting such information should be referred to PMGAA. Consultant also agrees that any information pertaining to individual persons shall not be divulged other than to employees or officers of Consultant as needed for the performance of duties under the Contract, unless otherwise agreed to in writing by PMGAA.

10. **Gratuities.** PMGAA may, by written notice to the Consultant, cancel this Contract if it is found that gratuities, in the form of entertainment, gifts or otherwise, were offered or given by Consultant or any agent or representative of Consultant, to any officer or employee of PMGAA involved in the amending, or the making of any determinations with respect to the performing of such Contract. If this Contract is canceled by PMGAA under this provision, PMGAA shall, in addition to any other rights and remedies, repay to the Consultant the amount of the gratuity.

11. **Applicable Law.** This Contract shall be governed by, and PMGAA and Consultant shall have, all remedies afforded each by the *Uniform Commercial Code*, as adopted in the state of Arizona, except as otherwise provided in this Contract or in laws pertaining specifically to PMGAA. This Contract shall be governed by the laws of the state of Arizona, and suits pertaining to this Contract shall be brought only in federal or state courts in the state of Arizona.
12. **Contract.** This Contract is based on and the result of a negotiated Scope of Work and Proposal, Bid or Statement of Qualifications submitted by Consultant under this RFP, IFB or RFQ. The Contract contains the entire agreement between PMGAA and Consultant. No prior oral or written agreements, contracts, proposals, negotiations, purchase orders, or master agreements (in any form) are enforceable between the parties.

13. **Contract Amendments.** This Contract shall be modified only by a written amendment signed by the PMGAA Executive Director or his/her designee, and persons duly authorized to enter into contracts on behalf of Consultant.

14. **Provisions Required by Law.** Each and every provision of law and any clause required by law to be in the Contract shall be read and enforced as though it were included herein, and if through mistake or otherwise any such provision is not inserted, or is not correctly inserted, then upon the application of either party the Contract shall forthwith be physically amended to make such insertion or correction.

15. **Severability.** The provisions of this Contract are severable to the extent that any provision or application held to be invalid shall not affect any other provision or application of the Contract, which may remain in effect without the valid provision, or application.

16. **Protection of Government Property.** Consultant shall use reasonable care to avoid damaging all PMGAA property, including buildings, equipment, and vegetation (such as trees, shrubs, and grass). If Consultant damages PMGAA’s property in any way, Consultant shall immediately report such damage to PMGAA and repair or replace the damage at no cost to PMGAA, as directed by the PMGAA Executive Director. If Consultant fails or refuses to repair or replace the damage, then PMGAA may terminate the Contract, and PMGAA shall deduct the repair or replacement cost from money due Consultant under the Contract.

17. **Interpretation – Parol Evidence.** This Contract is intended by the parties as a final expression of their agreement and is intended also as a complete and exclusive statement of the terms thereof. No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in this Contract. Acceptance or acquiescence in a course of performance rendered under this Contract shall not be relevant to determine the meaning of this Contract even though the accepting or acquiescing party has knowledge of the nature of the performance and opportunity to object.

18. **Subcontracts.** Consultant shall not assign any rights or interest nor enter into any subcontract with any other party to furnish any of the materials, goods or services specified herein without the prior written permission of PMGAA. PMGAA may, at its sole discretion, accept or reject proposed subcontractors or assignment. PMGAA shall notify Consultant of its acceptance or rejection within forty-five (45) days or written request by Consultant. All subcontracts shall comply with federal and state laws and regulations applicable to the materials, goods or services covered by the subcontract and shall include all the terms and conditions set forth herein, which shall apply with equal force to the subcontract, as if the subcontractor were the Consultant referred to herein. Consultant is responsible for Contract performance whether subcontractors are used.

19. **No Waiver.** No provision in this Contract shall be construed, expressly or by implication, to waive either party’s existing or future claim, right, or remedy available by law for breach of contract. The failure of either party to insist on strict performance of any Contract term or condition; to exercise or delay exercising any right or remedy provided in the Contract or by law; or to accept materials, services, or Consultant’s services under this Contract or imposed by law, shall not be deemed a waiver of any right of either party to insist upon strict performance of the Contract.

20. **Warranties.** Consultant warrants that all materials and services delivered under this Contract shall conform to the specifications thereof. Mere receipt of shipment of the material or service specified and any inspection incidental thereto by PMGAA, shall not alter or affect the obligations of Consultant or the rights of PMGAA under the foregoing warranties. Additional warranty requirements may be set forth in this Contract.

21. **Indemnification.** To the fullest extent permitted by law, Consultant shall defend, save, indemnify, and hold harmless PMGAA, its agents, representatives, officers, directors, officials, and employees (collectively the “Indemnites”), for, from and against all claims, damages, losses and expenses, including but not limited to attorney fees, court costs, expert witness fees, and the cost of appellate proceedings, relating to, arising out of, or alleged to have resulted from the Consultant’s acts, errors, omissions, or mistakes relating to Consultant’s services under this Contract.
22. **Right to Assurance.** Whenever one party to this Contract in good faith has reason to question the other party’s intent to perform, the former party may demand that the other party give a written assurance of this intent to perform. If a demand is made and no written assurance is given within five (5) business days, the demanding party may treat this failure as an anticipatory repudiation with this Contract.

23. **Advertising.** Consultant shall not advertise or publish information concerning this Contract without prior written consent of PMGAA.

24. **Right to Inspect.** PMGAA may, at reasonable times, and at PMGAA’s expense, inspect the place of Consultant’s or any of Consultant’s subcontractor’s business, which is related to the performance of this Contract or related subcontract.

25. **Force Majeure.** In the event either party shall be delayed or hindered in or prevented from the performance of any covenant, agreement, work, service, or other act required under this Contract to be performed by such party (“Required Act”), and such delay or hindrance is due to causes entirely beyond its control such as riots, insurrections, martial law, civil commotion, war, fire, flood, earthquake, or other casualty or acts of God (“Force Majeure Event”), then the performance of such Required Act shall be excused for the period of delay and the time period for performance of the Required Act shall be extended by the same number of days in the period of delay. For purposes of this Contract, the financial inability of Consultant to perform any Required Act, including, without limitation, failure to obtain adequate or other financing shall not be deemed to constitute a Force Majeure Event. A Force Majeure Event shall not be deemed to commence until ten (10) days before the date on which the party who asserts some right, defense, or remedy arising from or based upon such Force Majeure Event gives written notice thereof to the other party. If abnormal adverse weather conditions are the basis for a claim for an extension of time due to a Force Majeure Event, the written notice shall be accompanied by data substantiating (a) that the weather conditions were abnormal for the time and could not have been reasonably anticipated and (b) that the weather conditions complained of had a significant adverse effect on the performance of a Required Act. To establish the extent of any delay to the performance of a Required Act due to abnormal adverse weather, a comparison will be made of the weather for the time of performance of the Required Act with the average of the preceding ten (10) years’ climatic range based on the National Weather Service statistics for the nearest weather reporting station to the Premises. No extension of time for or excuse for a delay in the performance of a Required Act will be granted for rain, snow, wind, cold temperatures, flood, or other natural phenomena of normal intensity for the locality where the Premises are located.

26. **Inspection.** All material or service is subject to final inspection and acceptance by PMGAA. Material or service failing to conform to the specifications of this Contract will be held at Consultant’s risk and may be returned to Consultant. If so returned, all costs are the responsibility of Consultant. Noncompliance shall conform to the cancellation clause set forth in this Contract.

27. **Exclusive Possession.** All services, information, computer program elements, reports, and other deliverables, which may be created under this Contract, are the sole property of PMGAA and shall not be used or released by Consultant or any other person except with prior written permission by PMGAA.

28. **Title and Risk of Loss.** The title and risk of loss of materials or services shall not pass to PMGAA until PMGAA actually receives the material or service at the Airport, unless otherwise provided within this Contract.

29. **Liens.** All materials, services, and other deliverables supplied to PMGAA under this Contract must be free of all liens and other encumbrances. Upon request of PMGAA, Consultant shall provide a formal release of all liens.

30. **Licenses.** Consultant shall maintain in current status all federal, state, and local licenses and permits required for the operation of the business conducted by Consultant as applicable to this Contract.

31. **Subsequent Employment.** PMGAA may cancel this Contract without penalty or further obligation in accordance with A.R.S. Section 38-511 if any person significantly involved in initiating, negotiating, securing, drafting, or creating the contract, on behalf of the PMGAA is or becomes, at any time while the Contract or any extension of the contract is in effect, an employee of, or a contractor to any other party to this Contract.
with respect to the subject matter of the Contract. Such cancellation shall be effective when the parties to this Contract receive written notice from PMGAA, unless the notice specifies a later time.

32. **Clean Up.** Consultant shall at all times keep Contract performance areas, including storage areas used by the Consultant, free from accumulation of waste material or rubbish and, prior to completion of the work, remove any rubbish from the premises and all tools, scaffolding, equipment and materials not property of PMGAA. Upon completion of any repair, Consultant shall leave the work and premises in clean, neat, and workmanlike condition.

33. **Patents.** Consultant shall defend, indemnify, and hold harmless PMGAA, its officers and employees from all liabilities, claims, damages, costs, or expenses, including, but not limited to attorneys’ fees, for any alleged infringement of any person’s patent rights or copyrights in consequence of the use by PMGAA, its officers, employees, agents, and other duly authorized representatives of tangible or intellectual property supplied to PMGAA by Consultant under this Contract.

34. **Records and Audit Rights.** Consultant’s and all of its approved subcontractors’ books, records, correspondence, accounting procedures and practices, and any other supporting evidence relating to this Contract, including the papers of all Consultant and subcontractor employees that work on the Contract (all the foregoing collectively referred to as “Records”), must be open to inspection and subject to audit and/or reproduction during normal working hours by PMGAA. PMGAA is entitled to evaluate and verify all invoices, payments or claims based on Consultant’s and its subcontractor’s actual costs (including direct and indirect costs and overhead allocations) incurred or units expended directly in the performance of work under this Contract. For any audit under this Section, Consultant and its subcontractors hereby waive the right to keep such Records confidential. PMGAA is entitled to access to these Records from the effective date of this Contract for the duration of the work and until five years after the date of final payment by PMGAA to Consultant under the Contract. During normal working hours, PMGAA is entitled to access to all necessary Consultant and subcontractor facilities and shall be provided adequate and appropriate workspace, in order to conduct audits under this Section. PMGAA shall give Consultant or subcontractors reasonable advance notice of intended audits. Consultant shall require its subcontractors to comply with the provisions of this Section by including its requirements in all subcontracts related to this Contract.

35. **E-Verify Requirements.** To the extent applicable under A.R.S. § 41-4401, Consultant and its subcontractors warrant compliance with all federal immigration laws and regulations that relate to their employees, and compliance with the E-Verify requirements under A.R.S. §23-214(A). Consultant’s or its subcontractors’ failure to comply with such warranty shall be deemed a material breach of this Contract and may result in the termination of this Contract by PMGAA. PMGAA shall have the right to inspect the papers of Consultant’s and any of Consultant’s subcontractor’s employee who works on this Contract to ensure the Consultant is complying with this paragraph.
EXHIBIT E – CONSULTANT’S RFP SUBMITTAL

Consultant’s Proposal in response to Phoenix-Mesa Gateway Airport Authority’s Solicitation 2022-003-RFP dated MM/DD/YR, is hereby incorporated herein and made part of this Contract.
