If you still have information to provide or files to upload, you can save your entry and come back later. Just click "Save" to maintain the information that you have completed up to this point. When you log back in, you'll only need your email address and password to finalize your entry.

Once you have determined that you have completed all entry information and uploads, click "Save" and then click "Add to Cart" to finalize your entry.

When you reach the "Review and Checkout" page, you have several options to choose before paying the entry fee. You can "Copy Application" (if you wish to submit this same entry into another category); or you can make changes to this entry; or you can "Make Another Submission" in another category.

When you've completed everything, you'll want to click "Checkout" to process your entry fee by check or by credit card. A confirmation email will be sent to the Owning Agency's contact email address that is on file.

If you want to submit in multiple categories, please complete this submission and start a new application on the awards home page.
